Notice to parents:

Per the State of New Mexico and CYFD, I am required by law to tell you that there is a small, older, male dog breed Pomeranian and Chihuahua in the home. He has current vaccines including Rabies and a crate for proper restraint, if necessary. He is also neutered. While he occasionally growls and yaps for attention, he is not vicious and plays well with children. Home and outdoor play area are free of pet excrement.
